Optional Upgrades: Opponents suffer -1 to hit while wearer remains unseen

Star-Infusion**Rank 1 Recipes****Recipe Name: Starmetal Chip Blade**

Relevant Skill: Star-Infusion

Crafting DC: 6

Materials: 1 starmetal shard, 1 alloy handle, 1 heat-conductive binding

Tools Required: Mini forge, meteorite clamp

Critical Success Effect: Blade glows faintly in darkness and cuts cleanly through mundane armor

Optional Upgrades: Infuse with resonance dust to leave radiant streaks

Recipe Name: Celestial Trinket

Relevant Skill: Star-Infusion

Crafting DC: 5

Materials: 1 crystal bead, 1 meteor dust, 1 mana-tether loop

Tools Required: Dust funnel, gemstone press

Critical Success Effect: Restores 1 MP when exposed to starlight for 1 hour

Optional Upgrades: Track current moon phase and location direction

Recipe Name: Meteor Shard Spike

Relevant Skill: Star-Infusion

Crafting DC: 6

Materials: 1 sharpened star fragment, 1 etched base cap, 1 impact stabilizer

Tools Required: Cold press, etching vice

Critical Success Effect: Ignores 1 point of magical DR

Optional Upgrades: Imbue minor flare effect on impact

Rank 2 Recipes

Recipe Name: Astral Edge

Relevant Skill: Star-Infusion

Crafting DC: 9

Materials: 1 thin starmetal bar, 1 focus gem, 1 balanced grip

Tools Required: Star forge, arc lens

Critical Success Effect: Blade deals bonus damage under starlight

Optional Upgrades: Glows in presence of arcane energy

Recipe Name: Star-bond Ring

Relevant Skill: Star-Infusion

Crafting DC: 8

Materials: 1 ring mold, 1 charged astralite sliver, 1 arcane flux thread

Tools Required: Band furnace, resonance torch

Critical Success Effect: Gives +1 resistance to radiation, solar, or light effects

Optional Upgrades: May pulse with glow on proximity to other celestial items

Recipe Name: Nebula Flask

Relevant Skill: Star-Infusion

Crafting DC: 9

Materials: 1 reinforced glass shell, 1 luminous mist, 1 stardust binding agent

Tools Required: Flask sealant kit, inert chamber

Critical Success Effect: Upon breaking, blinds enemies in 10 ft cone

Optional Upgrades: Disorients ethereal or planar creatures

Rank 3 Recipes

Recipe Name: Orb of Guiding Light

Relevant Skill: Star-Infusion

Crafting DC: 12

Materials: 1 starlit crystal, 1 inner fire core, 1 celestial cage

Tools Required: Orb press, inner glow lattice

Critical Success Effect: Reveals invisible and incorporeal enemies within 30 ft

Optional Upgrades: Can project starlight in any direction for 1 minute

Recipe Name: Falling Star Dagger

Relevant Skill: Star-Infusion

Crafting DC: 11

Materials: 1 star-shard blade, 1 trail rune, 1 chromatic inlay

Tools Required: Precision engraver, heat regulator

Critical Success Effect: Ignores resistance to radiant damage

Optional Upgrades: Causes meteor flash on sneak attack

Recipe Name: Eclipse Shield

Relevant Skill: Star-Infusion

Crafting DC: 13

Materials: 1 alloy starplate, 1 eclipse core, 1 lunar seal

Tools Required: Phase press, magnetic hammer

Critical Success Effect: Reflects 1 spell effect per day

Optional Upgrades: Absorbs a flash or light-based condition once per rest

Rank 4 Recipes**Recipe Name: Comet Halo**

Relevant Skill: Star-Infusion

Crafting DC: 15

Materials: 1 starmetal ring frame, 1 radiant filament, 1 energy conductor

Tools Required: Spark crown welder, arc circuiter

Critical Success Effect: Emits aura of +1 MP regen while in natural starlight

Optional Upgrades: Tracks celestial alignments in real time

Recipe Name: Stellar Lance

Relevant Skill: Star-Infusion

Crafting DC: 14

Materials: 1 comet-forged shaft, 1 flarecore tip, 1 guiding rune

Tools Required: Lance mold, flare chamber

Critical Success Effect: Grants extended reach and radiant trail on thrust

Optional Upgrades: Temporarily pierces through planar barrier

Recipe Name: Voidlight Pendant

Relevant Skill: Star-Infusion

Crafting DC: 15

Materials: 1 void gem, 1 silver etching, 1 blackglass lens

Tools Required: Pendant frame, null forge

Critical Success Effect: Grants advantage against scrying or planar tracking

Optional Upgrades: Nullifies light-based blindness effect once

Rank 5 Recipes**Recipe Name: Astral Chainblade**

Relevant Skill: Star-Infusion

Crafting DC: 18

Materials: 1 starmetal blade coil, 1 void tether, 1 lunar prism

Tools Required: Energy reel, lunar fuser

Critical Success Effect: On critical hit, opens small rift that pulls enemy 5 ft

Optional Upgrades: Channels planar radiation for bonus damage to extraplanar foes

Recipe Name: Radiant Crest Armor

Relevant Skill: Star-Infusion

Crafting DC: 17

Materials: 1 radiant alloy plate, 1 crest rune, 1 starlight binder

Tools Required: Celestial armor press, energy weaver

Critical Success Effect: Once per day, emits blinding flash to all within 10 ft

Optional Upgrades: Reduces light-based damage by 50% for 1 minute

Recipe Name: Cometfall Hammer

Relevant Skill: Star-Infusion

Crafting DC: 19

Materials: 1 meteorite hammerhead, 1 gravitational sigil, 1 core-socket

Tools Required: Gravity well clamp, comet forge

Critical Success Effect: Slams create shockwave (10 ft radius, push 5 ft)

Optional Upgrades: Emits radiant aura that weakens undead and fiends

Symbionics

Rank 1 Recipes

Recipe Name: Bone-Gear Brace

Relevant Skill: Symbionics

Crafting DC: 6

Materials: 1 carved bone plate, 1 sinew strap, 1 hinge mechanism

Tools Required: Joint forge, sinew tensioner

Critical Success Effect: Grants +1 Dexterity saves for 1 hour

Optional Upgrades: Integrated bone spike for emergency defense

Recipe Name: Vibe-Sensor Tendril

Relevant Skill: Symbionics

Crafting DC: 5

Materials: 1 chitin wire, 1 nerve-like fiber, 1 fungal root strand

Tools Required: Sensory linker, growth tray

Critical Success Effect: Detects motion or heat through walls within 5 ft

Optional Upgrades: Alerts user mentally to approaching creatures

Recipe Name: Responsive Grip Cuff

Relevant Skill: Symbionics

Crafting DC: 6

Materials: 1 jointed brace, 1 blood-channel wire, 1 pulse reader

Tools Required: Muscle press, bio-feedback scope

Critical Success Effect: Automatically tightens grip on dropped weapon

Optional Upgrades: Add panic reflex for instant defense activation

Rank 2 Recipes

Recipe Name: Organic Storage Slot

Relevant Skill: Symbionics

Crafting DC: 8

Materials: 1 hollow-bone casing, 1 sealing valve, 1 flexible membrane

Tools Required: Graft injector, sealant rig

Critical Success Effect: Stores up to 3 small tools that can be drawn mentally

Optional Upgrades: Add fluid pump for chemical injection on draw

Recipe Name: Limb-tied Retractor

Relevant Skill: Symbionics

Crafting DC: 9

Materials: 1 bio-cable, 1 pressure pad, 1 bone gear spring

Tools Required: Cable mold, tension springer

Critical Success Effect: Adds +1 reaction to block or disarm attempts

Optional Upgrades: Auto-snap to catch falling items

Recipe Name: Sensor-Tendon Link

Relevant Skill: Symbionics

Crafting DC: 8

Materials: 1 nerve-fiber mesh, 1 muscle activator node, 1 chitin clasp

Tools Required: Bio-fuser, mesh frame

Critical Success Effect: Grants minor tremor sense in 10 ft

Optional Upgrades: Integrates with night vision eye implants

Rank 3 Recipes

Recipe Name: Flex-Spine Harness

Relevant Skill: Symbionics

Crafting DC: 11

Materials: 1 spinal cord strand, 1 plate casing, 1 resonance relay

Tools Required: Spine press, adaptive mold

Critical Success Effect: Reduces encumbrance weight by 25%

Optional Upgrades: Activates adrenaline surge (+1 AP once per day)

Recipe Name: Adaptive Arm Strut

Relevant Skill: Symbionics

Crafting DC: 12

Materials: 1 tendon-wrapped frame, 1 jointed actuator, 1 link patch

Tools Required: Auto-mount vise, strut armature

Critical Success Effect: Provides +1 DR to one limb

Optional Upgrades: Can swap from limb to limb once per rest

Recipe Name: Bio-Muscle Graft

Relevant Skill: Symbionics

Crafting DC: 11

Materials: 1 vat-grown fiber band, 1 stimulant gland, 1 nerve-hook

Tools Required: Growth tank, bio-wire welder

Critical Success Effect: +1 melee damage when used with this limb

Optional Upgrades: Reflex burst: +1 initiative once per short rest

Rank 4 Recipes

Recipe Name: Mental Reflex Tap

Relevant Skill: Symbionics

Crafting DC: 14

Materials: 1 cortex crystal, 1 synaptic chain, 1 pulse plate

Tools Required: Brainwave cap, sync tuner

Critical Success Effect: May take one bonus reaction per round

Optional Upgrades: Embed emotion tracker for danger-linked boost

Recipe Name: Symbiotic Armor Skin

Relevant Skill: Symbionics

Crafting DC: 15

Materials: 1 plated dermal patch, 1 memory tissue, 1 pain absorber node
Tools Required: Dermal stitcher, stress anchor
Critical Success Effect: +1 DR to full torso; regenerates 1 HP per hour
Optional Upgrades: May reclose wounds when HP drops below 50%

Recipe Name: Pulse-Echo Antenna

Relevant Skill: Symbionics

Crafting DC: 13

Materials: 1 sound-sensing fiber, 1 organic microphone node, 1 fleshy stalk

Tools Required: Antenna regenerator, bone mount

Critical Success Effect: Detects invisible within 10 ft when focused

Optional Upgrades: Whispering link to bonded ally at 100 ft

Rank 5 Recipes

Recipe Name: Synapse Accelerator

Relevant Skill: Symbionics

Crafting DC: 18

Materials: 1 synaptic braid, 1 mental spark crystal, 1 regulating lobe

Tools Required: Synapse forge, mental stabilizer

Critical Success Effect: Grants +1 AP per rest

Optional Upgrades: Embed countdown module to trigger reflex surge on critical hit

Recipe Name: Bio-Integrated Weapon Arm

Relevant Skill: Symbionics

Crafting DC: 19

Materials: 1 weaponized bone graft, 1 activation gland, 1 storage matrix

Tools Required: Arm press, graft brace

Critical Success Effect: Weapon becomes bonded; no drop, no disarm

Optional Upgrades: Shifts weapon form once per rest (sword, whip, spike)

Recipe Name: Adaptive Symbiotic Core

Relevant Skill: Symbionics

Crafting DC: 20

Materials: 1 living core mass, 1 sensory bundle, 1 protective carapace

Tools Required: Graft basin, nutrient tank

Critical Success Effect: Adapts DR to most recent damage type received

Optional Upgrades: Grows limbs or tendrils to assist in crafting or combat

Voltaic Engineering

Rank 1 Recipes

Recipe Name: Shock Coil

Relevant Skill: Voltaic Engineering

Crafting DC: 6

Materials: 1 copper wire loop, 1 salt battery core, 1 metal base

Tools Required: Coil winder, battery clamp

Critical Success Effect: Delivers jolt on contact (1d4 electrical damage)

Optional Upgrades: Charge lasts 1 extra use before burnout

Recipe Name: Static Trigger Pad

Relevant Skill: Voltaic Engineering

Crafting DC: 5

Materials: 1 pressure plate, 1 voltaic thread, 1 spark junction

Tools Required: Tension tester, solder wand

Critical Success Effect: Delivers shock when stepped on; ignores armor

Optional Upgrades: Rig to small trap or dart launcher

Recipe Name: Capacitor Glove

Relevant Skill: Voltaic Engineering

Crafting DC: 6

Materials: 1 conductive mesh, 1 charge pack, 1 grounded fabric

Tools Required: Wiring frame, charge synchronizer

Critical Success Effect: Adds electrical damage to unarmed strikes

Optional Upgrades: Disrupts metal-based gear on hit

Rank 2 Recipes

Recipe Name: Shock Net

Relevant Skill: Voltaic Engineering

Crafting DC: 8

Materials: 1 net weave, 2 shock nodes, 1 voltage trigger

Tools Required: Voltage splicer, node tester

Critical Success Effect: Immobilizes target for 1 round on failed save

Optional Upgrades: Shock spreads to second target within 5 ft

Recipe Name: Arcing Blade Core

Relevant Skill: Voltaic Engineering

Crafting DC: 9

Materials: 1 conductive core, 1 charge link, 1 blade adapter

Tools Required: Core press, magnetic cradle

Critical Success Effect: Lightning arcs between targets within 10 ft

Optional Upgrades: Surge once per day for +2 damage

Recipe Name: Pulse Mine

Relevant Skill: Voltaic Engineering

Crafting DC: 9

Materials: 1 pressure shell, 1 capacitor core, 1 shock plate

Tools Required: Shell press, wiring tool

Critical Success Effect: Knockback 5 ft on detonation

Optional Upgrades: Magnetizes target for 1 round (metal draws attacks)

Rank 3 Recipes

Recipe Name: Stun Baton

Relevant Skill: Voltaic Engineering

Crafting DC: 11

Materials: 1 rubber grip, 1 battery channel, 1 arc contact rod

Tools Required: Baton shaper, arc calibrator

Critical Success Effect: Stuns target on critical hit

Optional Upgrades: Add switch to shift between stun and pulse modes

Recipe Name: Lightning Trap Plate

Relevant Skill: Voltaic Engineering

Crafting DC: 12

Materials: 1 reinforced plate, 3 arc emitters, 1 delay circuit

Tools Required: Trap anchor, burst fuser
Critical Success Effect: Electrifies full 5 ft square; no save on flat-footed target
Optional Upgrades: Sync with alarm or proximity trigger

Recipe Name: Resonance Lash

Relevant Skill: Voltaic Engineering

Crafting DC: 11

Materials: 1 conductive whip cord, 1 static loop, 1 feedback rune

Tools Required: Cord tensioner, rune burner

Critical Success Effect: Target's metal gear hums audibly for 1 round

Optional Upgrades: May cancel 1 spell concentration check per strike

Rank 4 Recipes

Recipe Name: Arc Cannon Grip

Relevant Skill: Voltaic Engineering

Crafting DC: 14

Materials: 1 cannon harness, 1 dual coil pack, 1 pressure fuse

Tools Required: Magnetic railer, arc converter

Critical Success Effect: Fires an electric bolt in a 30 ft line

Optional Upgrades: Charge accumulates over 1 round for double damage

Recipe Name: Storm Harness

Relevant Skill: Voltaic Engineering

Crafting DC: 15

Materials: 1 surge plate, 1 conductor grid, 1 lightning receptor node

Tools Required: Conductive frame, current aligner

Critical Success Effect: Grants resistance to electrical damage

Optional Upgrades: Once per long rest, redirect incoming lightning back

Recipe Name: Overload Gauntlet

Relevant Skill: Voltaic Engineering

Crafting DC: 13

Materials: 1 insulated glove base, 1 capacitor node, 1 spark emitter

Tools Required: Spark drill, fuse trigger

Critical Success Effect: Knock prone on critical hit

Optional Upgrades: Burns out after 3 uses unless surge filament added

Rank 5 Recipes

Recipe Name: Thunder Lance

Relevant Skill: Voltaic Engineering

Crafting DC: 18

Materials: 1 charged spear core, 1 dual resonance rod, 1 strike rune

Tools Required: Resonance chamber, lance former

Critical Success Effect: Critical strikes cause 10-ft shockwave (AoE)

Optional Upgrades: Attacks ignore shields or parrying weapons

Recipe Name: Storm Cell Backpack

Relevant Skill: Voltaic Engineering

Crafting DC: 19

Materials: 1 arc shell, 1 storm capacitor, 1 plasma disperser

Tools Required: Cell welder, pack frame rig

Critical Success Effect: User floats briefly during shock surge (hover 5 ft)

Optional Upgrades: May power 1 other device wirelessly

Recipe Name: Chain Arc Blaster

Relevant Skill: Voltaic Engineering

Crafting DC: 20

Materials: 1 emitter barrel, 1 charge core, 1 conductivity matrix

Tools Required: Magnetic stabilizer, arc link fuser

Critical Success Effect: Bounces electricity to 3 targets

Optional Upgrades: Target metal surfaces or water bodies to extend range

Verdant Binding

Rank 1 Recipes

Recipe Name: Vinegrip Gloves

Relevant Skill: Verdant Binding

Crafting DC: 5

Materials: 1 yard vine leather, 1 strip thornlace, 1 fiber thread

Tools Required: Stitch loom, leaf binder

Critical Success Effect: Grants +1 to climbing rolls for 1 hour

Optional Upgrades: Adds light entangling on grab attempts

Recipe Name: Barkbound Bracers

Relevant Skill: Verdant Binding

Crafting DC: 6

Materials: 1 bark panel, 1 sap lacquer, 1 leather lining

Tools Required: Carving blade, drying press

Critical Success Effect: +1 DR vs slashing

Optional Upgrades: Engrave seasonal pattern for bonus in that season

Recipe Name: Seedling Pouch

Relevant Skill: Verdant Binding

Crafting DC: 4

Materials: 1 hemp cloth, 1 sprouting seed cluster, 1 binding thread

Tools Required: Herbal stitcher, seed press

Critical Success Effect: Seeds sprout slightly on opening, giving visual clue or aroma

Optional Upgrades: Add spore-seeds for minor confusion on burst

Rank 2 Recipes

Recipe Name: Thornwrap Greaves

Relevant Skill: Verdant Binding

Crafting DC: 8

Materials: 2 thornweave strips, 1 vine binding, 1 hide underlayer

Tools Required: Leather stretcher, thorn clamp

Critical Success Effect: Deals 1 bleed damage when struck in melee

Optional Upgrades: Activate as minor thorns-on-kick move (d4)

Recipe Name: Camobloom Cloak

Relevant Skill: Verdant Binding

Crafting DC: 9

Materials: 1 camo-fiber leaf cloth, 1 living moss trim, 1 bark clasp

Tools Required: Moss press, loom, dye basin
Critical Success Effect: +1 Stealth in natural terrain
Optional Upgrades: Season-based camouflage or leaf-shedding

Recipe Name: Rootgrip Boots

Relevant Skill: Verdant Binding

Crafting DC: 8

Materials: 1 hardened root pair, 1 sap filler, 1 rubberplant sole

Tools Required: Sole press, sap kiln

Critical Success Effect: +1 Stability vs forced movement

Optional Upgrades: May sprout temporary roots to resist knockback

Rank 3 Recipes

Recipe Name: Regrowth Bandolier

Relevant Skill: Verdant Binding

Crafting DC: 11

Materials: 1 vine frame, 1 healing pod, 1 living strap

Tools Required: Band press, alchemical fermenter

Critical Success Effect: Restores 1 HP per round while worn, up to Rank rounds

Optional Upgrades: Add salve pods for battlefield healing access

Recipe Name: Leafscale Vest

Relevant Skill: Verdant Binding

Crafting DC: 12

Materials: 6 overlapping leafscale tiles, 1 bark mesh, 1 sap glue

Tools Required: Leaf sealer, bonding frame

Critical Success Effect: Grants +1 DR against piercing

Optional Upgrades: Reflects light slightly, giving +1 vs targeting

Recipe Name: Vine Lash

Relevant Skill: Verdant Binding

Crafting DC: 11

Materials: 1 lashvine length, 1 bloodsap core, 1 plant fiber handle

Tools Required: Vine wrap table, softener bowl

Critical Success Effect: Grapples on crit or against slowed foes

Optional Upgrades: Add poison bulb node to apply toxic effects

Rank 4 Recipes

Recipe Name: Seasonal Mantle

Relevant Skill: Verdant Binding

Crafting DC: 14

Materials: 1 seasonal leaf set, 1 ambient essence, 1 bark shoulder frame

Tools Required: Essence threader, shoulder press

Critical Success Effect: Grants resistance based on current season

Optional Upgrades: Aura glows subtly with time of day

Recipe Name: Floral Trap Kit

Relevant Skill: Verdant Binding

Crafting DC: 15

Materials: 1 bloom pod, 1 trigger root, 1 burst pollen mix

Tools Required: Trap bench, petal shaper

Critical Success Effect: Releases calming or confusion burst (10 ft)

Optional Upgrades: Fuse with poison or bind to sound trigger

Recipe Name: Regrowth Cloak

Relevant Skill: Verdant Binding

Crafting DC: 13

Materials: 1 living fiber mesh, 1 woodcore clasp, 1 rapid regrowth seed

Tools Required: Fiber loom, seed socket

Critical Success Effect: Restores 1 HP per hour passively

Optional Upgrades: Grows over time to restore lost gear parts

Rank 5 Recipes

Recipe Name: Wildheart Harness

Relevant Skill: Verdant Binding

Crafting DC: 17

Materials: 1 rootcore plate, 1 thornheart gem, 1 soulvine wrap

Tools Required: Soul splicer, thorn vice

Critical Success Effect: Grants resistance to fire, cold, or lightning depending on terrain

Optional Upgrades: Adjusts traits per rest to new climate

Recipe Name: Bloomforge Armor

Relevant Skill: Verdant Binding

Crafting DC: 19

Materials: 1 ironwood base, 1 magic sap thread, 1 primal bloom crown

Tools Required: Living forge, resin frame

Critical Success Effect: Explodes in vines when struck at 0 HP (grapples attackers)

Optional Upgrades: Slowly regrows DR each hour

Recipe Name: Groveheart Staff

Relevant Skill: Verdant Binding

Crafting DC: 20

Materials: 1 sapling heartwood shaft, 1 blossom head, 1 leyline root graft

Tools Required: Grove kiln, energy socket

Critical Success Effect: Casts *Entangle* once per day

Optional Upgrades: Regenerates 1 MP per hour if buried or rooted in soil
