Relevant Skill: Crystallography

Crafting DC: 7

Materials: 1 refined crystal, 1 pulse wire, 1 containment ring

Tools Required: Core anchor, micro-burner

Critical Success Effect: Can store up to 3 MP for later use

Optional Upgrades: Add energy tag to track ambient charge

Recipe Name: Crystal Signal Key

Relevant Skill: Crystallography

Crafting DC: 6

Materials: 1 tuned shard, 1 resonance strand, 1 stabilizer disk

Tools Required: Sound plate, crystal gauge

Critical Success Effect: Grants +1 to communication spells when linked

Optional Upgrades: Add echo glyph for message replay

Recipe Name: Elemental Core Shard

Relevant Skill: Crystallography

Crafting DC: 8
Materials: 1 element-bound crystal, 1 shape oil, 1 affinity sand
Tools Required: Element burner, stabilizer mold
Critical Success Effect: Grants +1 to resistance of that element
Optional Upgrades: Fuse with sealing cap for controlled release

Rank 3 Recipes

Recipe Name: Charged Crystal Array

Relevant Skill: Crystallography
Crafting DC: 10
Materials: 3 minor shards, 1 tuning rod, 1 metal core
Tools Required: Array rack, current probe
Critical Success Effect: Holds a temporary enchantment (up to tier 2)
Optional Upgrades: Add relay chain for linking with other items

Recipe Name: Crystal Focus Lens

Relevant Skill: Crystallography
Crafting DC: 10
Materials: 1 flawless shard, 1 carved ring, 1 focus line
Tools Required: Lens lathe, light calibrator
Critical Success Effect: Grants +1 to precision spellcasting
Optional Upgrades: Add scry loop for long-range casting bonus

Recipe Name: Mana Pulse Anchor

Relevant Skill: Crystallography
Crafting DC: 9
Materials: 1 polished node, 1 echo rod, 1 essence clay
Tools Required: Echo spike, resonance cage
Critical Success Effect: Reduces MP cost by 1 for 1 chosen spell
Optional Upgrades: Fuse with rune strip to swap spell per rest

Rank 4 Recipes

Recipe Name: Spell-Matrix Core

Relevant Skill: Crystallography
Crafting DC: 13
Materials: 1 arcane crystal, 1 grid rod, 1 glyph insert
Tools Required: Core lattice, ritual harness
Critical Success Effect: Allows dual-casting of linked spell once per day
Optional Upgrades: Add burst thread for AoE expansion

Recipe Name: Resonance Amplifier Crystal

Relevant Skill: Crystallography
Crafting DC: 12
Materials: 1 pure crystal, 2 energy lines, 1 base plate
Tools Required: Sound amp, charge stabilizer
Critical Success Effect: Amplifies magic range or area
Optional Upgrades: Add cooldown dampener for quicker reuse

Recipe Name: Mystic Cage Array

Relevant Skill: Crystallography
Crafting DC: 12
Materials: 4 tuned shards, 1 anchor ring, 1 sigil plate

Tools Required: Alignment template, attunement compass
Critical Success Effect: Holds volatile spells safely
Optional Upgrades: Add lock glyph for delayed trigger

Rank 5 Recipes

Recipe Name: Aetheric Power Cell

Relevant Skill: Crystallography
Crafting DC: 15
Materials: 1 starlight crystal, 2 charge veins, 1 seal core
Tools Required: Flux gauge, arc crucible
Critical Success Effect: Stores up to 10 MP with no leak
Optional Upgrades: Add prism mount for beam-like discharge

Recipe Name: Echo Memory Crystal

Relevant Skill: Crystallography
Crafting DC: 16
Materials: 1 clarity shard, 1 echo thread, 1 reflection film
Tools Required: Whisper stylus, focus spool
Critical Success Effect: Can replay a past scene or sound for others
Optional Upgrades: Add archive glyph for permanent memory storage

Recipe Name: Spell Catalyst Prism

Relevant Skill: Crystallography
Crafting DC: 17
Materials: 1 flawless arcane crystal, 1 feedback loop, 1 mana coupler
Tools Required: Prism scaffold, surge cage
Critical Success Effect: Reduces casting time or MP of 1 spell per day
Optional Upgrades: Add dual-path core to split effect across two targets

Dowsing & Rune Channels

Rank 1 Recipes

Recipe Name: Ley Compass

Relevant Skill: Dowsing & Rune Channels
Crafting DC: 4
Materials: 1 lodestone shard, 1 copper ring, 1 tuning needle
Tools Required: Compass casing, alignment plate
Critical Success Effect: Detects direction to nearest ley point or node
Optional Upgrades: Embed color gem to indicate affinity of nearest line

Recipe Name: Rune Wire Anchor

Relevant Skill: Dowsing & Rune Channels
Crafting DC: 4
Materials: 1 spool of rune wire, 1 binding post, 1 stability weight
Tools Required: Rune guide board, flux clamp
Critical Success Effect: Grounds energy channels for safe spellcasting
Optional Upgrades: Add shock insulation to buffer arcane surges

Recipe Name: Echo Wand

Relevant Skill: Dowsing & Rune Channels
Crafting DC: 5

Materials: 1 resonance rod, 1 hollow core, 1 leystone bead
Tools Required: Wand press, energy stethoscope
Critical Success Effect: Reveals magical residue or energy flows
Optional Upgrades: Add ink tip for ritual path marking

Rank 2 Recipes

Recipe Name: Channeling Relay Stone
Relevant Skill: Dowsing & Rune Channels
Crafting DC: 6
Materials: 1 focus crystal, 1 elemental wire, 1 rune base
Tools Required: Conductor mold, relay etcher
Critical Success Effect: Transfers energy from one source to another with minimal loss
Optional Upgrades: Dual-slot runes for multi-affinity compatibility

Recipe Name: Stabilization Ring
Relevant Skill: Dowsing & Rune Channels
Crafting DC: 7
Materials: 1 iron ring, 1 harmonic coil, 1 ley-tether filament
Tools Required: Channel forge, harmony reader
Critical Success Effect: Improves spellcasting stability in high-energy areas
Optional Upgrades: Add overflow capacitor to redirect excessive flow

Recipe Name: Ritual Flow Tile
Relevant Skill: Dowsing & Rune Channels
Crafting DC: 6
Materials: 1 rune stone, 1 flow glyph, 1 binding chalk
Tools Required: Glyph press, ley scribe
Critical Success Effect: Grants +1 to rituals performed atop the tile
Optional Upgrades: Add soft resonance pulse to amplify duration

Rank 3 Recipes

Recipe Name: Twin-Pulse Rod
Relevant Skill: Dowsing & Rune Channels
Crafting DC: 10
Materials: 1 mirrored crystal rod, 1 polarity wire, 1 dual gem
Tools Required: Dual chamber etcher, polarity frame
Critical Success Effect: Projects ley energy in both directions simultaneously
Optional Upgrades: Split affinity ends for two-element uses

Recipe Name: Energy Redistribution Loop
Relevant Skill: Dowsing & Rune Channels
Crafting DC: 9
Materials: 1 loop coil, 1 discharge ring, 1 energy filter
Tools Required: Rotation sander, discharge clamp
Critical Success Effect: Shifts stored energy to adjacent systems or casters
Optional Upgrades: Add arc balancer for smooth modulation

Recipe Name: Ley Tether Spike
Relevant Skill: Dowsing & Rune Channels
Crafting DC: 9
Materials: 1 core stake, 1 ley tether crystal, 1 anchoring rune
Tools Required: Tether punch, ritual mallet

Critical Success Effect: Locks a ritual or object to a leyline for stable channeling
Optional Upgrades: Embed affinity-specific glyph for resonance bonuses

Rank 4 Recipes

Recipe Name: Sigil Array Matrix

Relevant Skill: Dowsing & Rune Channels

Crafting DC: 13

Materials: 4 glyph nodes, 1 channel conductor, 1 ring mount

Tools Required: Sigil compass, channeler's net

Critical Success Effect: Redirects or enhances ritual casting over an area

Optional Upgrades: Add switch glyphs for dynamic rearrangement

Recipe Name: Rune Conduit Rod

Relevant Skill: Dowsing & Rune Channels

Crafting DC: 12

Materials: 1 conduit shaft, 2 affinity coils, 1 guidance rune

Tools Required: Alignment bench, energy pole wrap

Critical Success Effect: Grants +1 to ranged spellcasting or targeting rituals

Optional Upgrades: Add absorption tip to store missed spell charge

Recipe Name: Flow Stabilizer Bracer

Relevant Skill: Dowsing & Rune Channels

Crafting DC: 12

Materials: 1 channel mesh, 1 pulse emitter, 1 rune-thread strap

Tools Required: Flux tuner, mana gauge

Critical Success Effect: Reduces backlash or miscast chance by 1

Optional Upgrades: Store up to 1 MP from overflow

Rank 5 Recipes

Recipe Name: Leyflow Nexus Plate

Relevant Skill: Dowsing & Rune Channels

Crafting DC: 17

Materials: 1 master focus ring, 4 ley points, 1 convergence glyph

Tools Required: Nexus mold, resonance stabilizer

Critical Success Effect: Allows a ritual or caster to channel energy from multiple ley lines simultaneously

Optional Upgrades: Add burst circuit for temporary overcharge effect

Recipe Name: Living Rune Channel

Relevant Skill: Dowsing & Rune Channels

Crafting DC: 17

Materials: 1 organic rune stone, 1 soul-conduit strand, 1 regeneration core

Tools Required: Bio-forge, glyph sculptor

Critical Success Effect: Adapts to spell type or element used, gaining +1 MP efficiency

Optional Upgrades: Heal itself slowly if overloaded

Recipe Name: Astral Beacon Obelisk

Relevant Skill: Dowsing & Rune Channels

Crafting DC: 18

Materials: 1 core pylon, 3 beacon nodes, 1 phase lock rune

Tools Required: Beacon tripod, astral aligner

Critical Success Effect: Marks an astral or magical position visible across dimensions or planes

Optional Upgrades: Add pulse transmitter to deliver magical messages

Enchanting

Rank 1 Recipes

Recipe Name: Minor Weapon Imbuement

Relevant Skill: Enchanting

Crafting DC: 4

Materials: 1 weapon, 1 essence ink, 1 affinity dust

Tools Required: Etching stylus, mana threader

Critical Success Effect: Grants +1 to attack rolls for one element

Optional Upgrades: Add attunement ring to allow recharging once per day

Recipe Name: Sigil Token

Relevant Skill: Enchanting

Crafting DC: 4

Materials: 1 smooth stone or charm, 1 sigil etching, 1 trace ink

Tools Required: Glyph chisel, stabilizing plate

Critical Success Effect: Grants +1 to saving throws vs charm or illusion

Optional Upgrades: Add affinity thread for elemental resistance bonus

Recipe Name: Warding Glyph Scroll

Relevant Skill: Enchanting

Crafting DC: 5

Materials: 1 scroll base, 1 glyph ink, 1 burst charge

Tools Required: Scroll press, rune stamp

Critical Success Effect: Triggers defensive ward upon tearing

Optional Upgrades: Add elemental flare to reflect minor damage

Relevant Skill: Enchanting

Crafting DC: 6

Materials: 1 charm core, 1 trigger glyph, 1 fusing oil

Tools Required: Focal clamp, rune compass

Critical Success Effect: Once per rest, releases minor elemental burst

Optional Upgrades: Add direction guide to shape burst effect

Recipe Name: Enchanted Lantern

Relevant Skill: Enchanting

Crafting DC: 8

Materials: 1 lantern shell, 1 light crystal, 1 command thread

Tools Required: Crystal driver, aura tap

Critical Success Effect: Can be toggled mentally within 20 feet

Optional Upgrades: Add mood control filter or blink mode

Rank 3 Recipes

Recipe Name: Tier-1 Spell Imbued Weapon

Relevant Skill: Enchanting

Crafting DC: 10

Materials: 1 weapon, 1 spell scroll, 1 crystal filament

Tools Required: Spell needle, attunement forge

Critical Success Effect: Weapon casts spell on hit (1x/day)

Optional Upgrades: Add echo socket to absorb a second spell later

Recipe Name: Reactive Ward Cloak

Relevant Skill: Enchanting

Crafting DC: 9

Materials: 1 cloak, 1 defensive sigil, 1 affinity ink

Tools Required: Sigil brush, barrier clamp

Critical Success Effect: Reduces damage from first hit taken

Optional Upgrades: Add rebound glyph to reflect minor damage

Recipe Name: Channeling Ring

Relevant Skill: Enchanting

Crafting DC: 10

Materials: 1 ring, 1 mana thread, 1 tuning bead

Tools Required: Binding vice, mana tracer

Critical Success Effect: Reduces MP cost of 1 known spell by 1

Optional Upgrades: Add resonance gem for +1 to spell accuracy

Rank 4 Recipes

Recipe Name: Conditional Trigger Amulet

Relevant Skill: Enchanting

Crafting DC: 13

Materials: 1 charm, 1 spell shard, 1 trigger glyph

Tools Required: Logic frame, aura router

Critical Success Effect: Activates on preset condition (e.g., HP < 50%)

Optional Upgrades: Add cooldown limiter to prevent immediate reuse

Recipe Name: Spell Bouncer Shield

Relevant Skill: Enchanting

Crafting DC: 12

Materials: 1 shield, 1 reflection rune, 1 spell charge

Tools Required: Mirror scribe, feedback isolator

Critical Success Effect: Once per day, reflects a spell back at caster

Optional Upgrades: Add ward strip to resist backfire

Recipe Name: Aura-Bonded Gloves

Relevant Skill: Enchanting

Crafting DC: 13

Materials: 1 glove pair, 1 synergy thread, 1 channel node

Recipe Name: Enchanted Armor Lining

Relevant Skill: Enchanting

Crafting DC: 17

Materials: 1 full armor set, 2 mana threads, 1 essence inlay

Tools Required: Channel loom, arc stitcher

Critical Success Effect: Grants +1 DR vs magic-based damage

Optional Upgrades: Embed aura conduit for shared enchantment boosts

Engineering

Rank 1 Recipes

Recipe Name: Simple Pulley System

Relevant Skill: Engineering

Crafting DC: 4

Materials: 1 wheel, 1 rope coil, 1 mounting plate

Tools Required: Wrench, clamp press

Critical Success Effect: Increases lifting capacity by +1 Tier

Optional Upgrades: Add lock tab for holding tension

Recipe Name: Basic Mechanical Lock

Relevant Skill: Engineering

Crafting DC: 5

Materials: 1 lock housing, 1 pin set, 1 spring

Tools Required: Mini-drill, alignment jig

Critical Success Effect: +2 to the DC to pick

Optional Upgrades: Add false tumbler or alarm ping

Recipe Name: Manual Lever Gate

Relevant Skill: Engineering

Crafting DC: 4

Materials: 1 lever rod, 1 hinge plate, 1 counterweight

Tools Required: Bolt clamp, torque arm

Critical Success Effect: Opens or closes with 1 action

Optional Upgrades: Add friction brake for auto-reset

Rank 2 Recipes

Recipe Name: Pressure Plate Trigger

Relevant Skill: Engineering

Crafting DC: 6

Materials: 1 plate base, 1 spring coil, 1 pressure rod

Tools Required: Tension guide, screw driver

Critical Success Effect: Detects weight changes with +1 precision

Optional Upgrades: Add dampener to prevent false triggers

Recipe Name: Rotating Spike Trap

Relevant Skill: Engineering

Crafting DC: 8

Materials: 3 spikes, 1 gear plate, 1 spin rod

Tools Required: Spike setter, drill press

Critical Success Effect: Triggers twice before needing reset

Optional Upgrades: Add friction catch to slow second activation

Recipe Name: Trap Reset Gear

Relevant Skill: Engineering

Crafting DC: 7

Materials: 1 anchor coil, 1 return spring, 1 gear hub

Tools Required: Reset vise, tension tool

Critical Success Effect: Resets any mechanical trap in 1 action

Optional Upgrades: Add echo trigger to restart multiple traps

Rank 3 Recipes

Recipe Name: Automated Arrow Launcher

Relevant Skill: Engineering

Crafting DC: 10

Materials: 1 launcher frame, 2 arrow guides, 1 recoil spring

Tools Required: Mount press, timer tool

Critical Success Effect: Fires 2 arrows per trigger

Optional Upgrades: Add loader slot for extra ammo capacity

Recipe Name: Weighted Counterbalance System

Relevant Skill: Engineering

Crafting DC: 9

Materials: 2 weights, 1 frame rail, 1 timing gear

Tools Required: Weight gauge, rail square

Critical Success Effect: Reduces effort required for lifting by 50%

Optional Upgrades: Add hook cable for grapple integration

Recipe Name: Concealed Blade Trap

Relevant Skill: Engineering

Crafting DC: 10

Materials: 1 blade, 1 pivot, 1 wall panel

Tools Required: Concealment tool, edge lock

Critical Success Effect: Trap gains +2 to Stealth DC

Optional Upgrades: Add quick-priming shaft for repeat use

Rank 4 Recipes

Recipe Name: Arcane-Linked Trigger System

Relevant Skill: Engineering

Crafting DC: 12

Materials: 1 spell node, 1 trigger relay, 1 gear rod

Tools Required: Rune circuit stamper, energy mount

Critical Success Effect: Can fire magical effect instead of mechanical

Optional Upgrades: Add limiter crystal for delayed release

Recipe Name: Magnetic Gear Lock

Relevant Skill: Engineering

Crafting DC: 13

Materials: 1 iron plate, 1 magnetic disc, 1 release button

Tools Required: Magnet aligner, torque driver

Critical Success Effect: DC to force open is +3

Optional Upgrades: Add dual polarity latch for reverse trigger

Recipe Name: Auto-Retracting Bridge

Relevant Skill: Engineering

Crafting DC: 12

Materials: 4 support boards, 1 chain set, 1 motor hinge

Tools Required: Tension bar, bridge jack

Critical Success Effect: Can be retracted or extended as a reaction

Optional Upgrades: Add trap hinge to collapse when overloaded

Rank 5 Recipes

Recipe Name: Articulated Mechanical Limb

Relevant Skill: Engineering

Crafting DC: 15

Materials: 3 limb rods, 1 joint set, 1 gear spine

Tools Required: Limb anchor, socket vice

Critical Success Effect: Fully functional mechanical limb for use or graft

Optional Upgrades: Add stabilizer piston for +1 to STR-based actions

Recipe Name: Spell-Driven Trap Array

Relevant Skill: Engineering

Crafting DC: 16

Materials: 1 arcane capacitor, 1 relay gear, 2 trap modules

Tools Required: Core aligner, trap matrix

Critical Success Effect: Combines magical and mechanical effects in sync

Optional Upgrades: Add logic node for conditional targeting

Recipe Name: Remote Operated Lever System

Relevant Skill: Engineering

Crafting DC: 17

Materials: 1 actuator rod, 1 gear cable, 1 signal key

Tools Required: Remote tuner, trigger stabilizer

Critical Success Effect: Activates from up to 60 feet away

Optional Upgrades: Add mana crystal receiver for magical interface

Fletching

Rank 1 Recipes

Recipe Name: Wooden Arrows (Set of 5)

Relevant Skill: Fletching

Crafting DC: 4

Materials: 5 wood shafts, 5 feather fletches, 5 basic arrowheads

Tools Required: Arrow jig, feather glue

Critical Success Effect: Only 1d4 arrows destroyed on failure

Optional Upgrades: Add barbed tips for bleed chance

Recipe Name: Stone Darts (Set of 5)

Relevant Skill: Fletching

Crafting DC: 4

Materials: 5 small stone points, 5 short shafts, 5 wraps

Tools Required: Dart guide, knife

Critical Success Effect: Darts gain +1 to concealment

Optional Upgrades: Add toxin groove for poison delivery

Recipe Name: Basic Throwing Knives (Set of 3)

Relevant Skill: Fletching

Crafting DC: 5

Materials: 3 flat metal plates, 3 wraps

Tools Required: File, balance string

Critical Success Effect: Thrown range increases by 5 ft

Optional Upgrades: Add weighted tip for better penetration

Rank 2 Recipes

Recipe Name: Piercing Bolts (Set of 5)

Relevant Skill: Fletching

Crafting DC: 7

Materials: 5 iron tips, 5 short shafts, 5 fletches

Tools Required: Bolt clamp, hardener brush

Critical Success Effect: Ignores 1 DR on hit

Optional Upgrades: Add stabilizer ring to improve accuracy at long range

Recipe Name: Barbed Arrows (Set of 5)

Relevant Skill: Fletching

Crafting DC: 6

Materials: 5 barbed heads, 5 wood shafts, 5 tail fletches

Tools Required: Barbing tool, wrap press

Critical Success Effect: Applies bleed on hit unless resisted

Optional Upgrades: Embed bone fragments for intimidation factor

Recipe Name: Signal Arrow

Relevant Skill: Fletching

Crafting DC: 6

Materials: 1 hollow shaft, 1 color powder pack, 1 fuse

Tools Required: Fuse clamp, tip punch

Critical Success Effect: Visible from 1 mile in clear conditions

Optional Upgrades: Add screamer whistle or elemental spark

Rank 3 Recipes

Recipe Name: Fire-Tipped Arrows (Set of 3)

Relevant Skill: Fletching

Crafting DC: 9

Materials: 3 flame cores, 3 metal shafts, 3 fire-stabilizer wraps

Tools Required: Heat-binder, ignition thread

Critical Success Effect: Target takes minor fire damage over time

Optional Upgrades: Add burst capsule to ignite surrounding area

Recipe Name: Trick Arrows (Set of 3)

Relevant Skill: Fletching

Crafting DC: 10

Materials: 3 hollow shafts, 3 payload inserts, 3 fuses

Tools Required: Trick mold, trigger press

Critical Success Effect: May choose from different effects (flash, smoke, flare)

Optional Upgrades: Fuse 2 effects into 1 arrow (GM discretion)

Recipe Name: Mana-Tipped Darts (Set of 5)

Relevant Skill: Fletching

Crafting DC: 9

Materials: 5 mana beads, 5 iron tips, 5 shafts

Tools Required: Core injector, balance clamp

Critical Success Effect: Adds +1 to spell-based ranged attacks

Optional Upgrades: Sync to affinity for bonus on elemental damage

Rank 4 Recipes**Recipe Name: Splitshot Arrow (Set of 3)**

Relevant Skill: Fletching

Crafting DC: 12

Materials: 3 flexible cores, 3 spring arms, 3 arrow bodies

Tools Required: Folding jig, pressure clamp

Critical Success Effect: Hits up to 2 adjacent targets on success

Optional Upgrades: Add spike fragments for area shrapnel effect

Recipe Name: Return Bolts (Set of 2)

Relevant Skill: Fletching

Crafting DC: 13

Materials: 2 magnetic cores, 2 grip wraps, 2 fletches

Tools Required: Mana caliper, coil press

Critical Success Effect: Bolts return to user's hand after 1 round

Optional Upgrades: Add partial charge to guide path on miss

Recipe Name: Scattershot Cluster

Relevant Skill: Fletching

Crafting DC: 12

Materials: 1 multi-tip arrowhead, 1 shaft, 1 tension coil

Tools Required: Cluster mold, break trigger

Critical Success Effect: Applies area damage in a small radius

Optional Upgrades: Add elemental shards for AoE effects

Rank 5 Recipes**Recipe Name: Homing Arrow**

Relevant Skill: Fletching

Crafting DC: 15

Materials: 1 directional crystal, 1 enchanted fletch, 1 core shaft

Tools Required: Spell stabilizer, angle tuner

Critical Success Effect: Gains +2 to hit marked or visible targets

Optional Upgrades: Add vision glyph for enemy tracking

Recipe Name: Phase Bolt

Relevant Skill: Fletching

Crafting DC: 16

Materials: 1 phase rod, 1 null thread, 1 bolt head

Tools Required: Ghost gear, flux chamber

Critical Success Effect: Ignores all cover and DR once per combat

Optional Upgrades: Add delay rune for after-impact activation

Recipe Name: Multi-Stage Arrow

Relevant Skill: Fletching

Crafting DC: 17

Materials: 1 trigger shard, 1 internal spring coil, 1 dual-tip core

Tools Required: Layer rig, kinetic spindle

Critical Success Effect: Releases second effect (e.g. poison or fire) on embed

Optional Upgrades: Add logic trigger for conditional payload release

Gardening

Rank 1 Recipes

Recipe Name: Basic Herb Plot

Relevant Skill: Gardening

Crafting DC: 4

Materials: 1 soil bundle, 1 seed set (culinary or medicinal), 1 water unit

Tools Required: Trowel, planting box or patch

Critical Success Effect: Increases harvest yield by +1 unit

Optional Upgrades: Add compost additive to speed growth by 1 day

Recipe Name: Wildflower Bed

Relevant Skill: Gardening

Crafting DC: 4

Materials: 1 mixed seed pouch, 1 mulch bag, 1 stone border

Tools Required: Hoe, seed spreader

Critical Success Effect: Area attracts calming or pollinating creatures

Optional Upgrades: Add fragrance sapling for +1 to rest recovery nearby

Recipe Name: Root Vegetable Patch

Relevant Skill: Gardening

Crafting DC: 5

Materials: 1 clay-rich soil, 1 root crop starter, 1 hydration line

Tools Required: Soil spade, trench rake

Critical Success Effect: Reduces time to first harvest by 50%

Optional Upgrades: Add pest-repellent coating for damage resistance

Rank 2 Recipes

Recipe Name: Medicinal Herb Grid

Relevant Skill: Gardening
Crafting DC: 7
Materials: 1 restorative seed type, 1 organized soil, 1 trellis or ring
Tools Required: Grid template, shade cloth
Critical Success Effect: Harvested herbs gain +1 to healing value
Optional Upgrades: Add fungal inoculation to boost regrowth rate

Recipe Name: Pot-Grown Mystic Sprout

Relevant Skill: Gardening
Crafting DC: 6
Materials: 1 container, 1 minor arcane plant, 1 mineral soil
Tools Required: Clay pot, rune stake
Critical Success Effect: Grants 1 extra use before plant withers
Optional Upgrades: Add mana droplet for enchantment receptivity

Recipe Name: Climbing Vine Wall

Relevant Skill: Gardening
Crafting DC: 8
Materials: 1 fast-growth vine, 1 netting panel, 1 growth fertilizer
Tools Required: Wall brace, loop twine
Critical Success Effect: Becomes usable as a natural barrier or cover
Optional Upgrades: Add thorn variant for damage to climbers

Rank 3 Recipes

Recipe Name: Grafted Healing Bush

Relevant Skill: Gardening
Crafting DC: 10
Materials: 1 base bush, 1 high-grade sprig, 1 grafting paste
Tools Required: Graft knife, seal wrap
Critical Success Effect: Heals 2 HP when leaves are chewed or brewed
Optional Upgrades: Add secondary graft for hybrid effect (e.g. calming + healing)

Recipe Name: Mobile Plant Cradle

Relevant Skill: Gardening
Crafting DC: 9
Materials: 1 soil pouch, 1 harness basket, 1 resilient stalk
Tools Required: Suspension frame, moisture mesh
Critical Success Effect: Allows portable use of plant during travel
Optional Upgrades: Add light crystal for growth in dark environments

Recipe Name: Elemental Herb Ring

Relevant Skill: Gardening
Crafting DC: 10
Materials: 4 herb seeds of different elemental affinities, 1 soil wheel
Tools Required: Compass spade, sigil stake
Critical Success Effect: Herbs harvested provide +1 to matching elemental spell
Optional Upgrades: Add center glyph for aura-based protection

Rank 4 Recipes

Recipe Name: Crossbred Arcane Fruit

Relevant Skill: Gardening
Crafting DC: 13

Materials: 2 magical fruit seeds, 1 stabilizer root, 1 essence mulch
Tools Required: Arcane bulb frame, hybrid stabilizer
Critical Success Effect: Fruit grants temporary MP regen
Optional Upgrades: Add crystal dust to infuse bonus resistance on use

Recipe Name: Fungal Integration Bed

Relevant Skill: Gardening
Crafting DC: 12
Materials: 1 soft log substrate, 1 mushroom strain, 1 moisture lining
Tools Required: Hollow mold, spore injector
Critical Success Effect: Mushrooms regrow twice before bed expires
Optional Upgrades: Add ward wax to prevent magical contamination

Recipe Name: Enchanted Trellis System

Relevant Skill: Gardening
Crafting DC: 12
Materials: 1 arcane ivy seed, 1 trellis mount, 1 mana thread
Tools Required: Vine guide, spell stapler
Critical Success Effect: Emits aura that provides +1 DR while in its shade
Optional Upgrades: Add trigger rune for bloom during combat rounds

Rank 5 Recipes

Recipe Name: Mana-Root Orchard Tree

Relevant Skill: Gardening
Crafting DC: 15

Recipe Name: Simple Glass Vial (Set of 3)

Relevant Skill: Glassblowing

Crafting DC: 4
Materials: 1 glass unit, 1 sand stabilizer
Tools Required: Blowpipe, annealing box
Critical Success Effect: Vials are spill-resistant even when shaken
Optional Upgrades: Add heat line to prevent freezing or boiling

Recipe Name: Glass Orb (Palm-sized)

Relevant Skill: Glassblowing
Crafting DC: 4
Materials: 1 molten glass, 1 coloration dye
Tools Required: Orb mold, heat torch
Critical Success Effect: Orb resists cracks from drops or bursts
Optional Upgrades: Embed small crystal shard for magical use later

Recipe Name: Sand Lens

Relevant Skill: Glassblowing
Crafting DC: 5
Materials: 1 clarity glass, 1 focus ring
Tools Required: Lens mold, shaping flame
Critical Success Effect: Grants +1 to fine inspection rolls
Optional Upgrades: Add clarity polish to detect illusions or heat

Rank 2 Recipes

Recipe Name: Alchemical Flask

Relevant Skill: Glassblowing
Crafting DC: 7
Materials: 1 heat-resistant glass unit, 1 stopper, 1 seal band
Tools Required: Flask mold, cooling cradle
Critical Success Effect: Flask resists explosion from basic alchemical reactions
Optional Upgrades: Add fluid scale marks for precise measurement

Recipe Name: Tinted Observation Goggles

Relevant Skill: Glassblowing
Crafting DC: 6
Materials: 2 tinted lenses, 1 brass rim, 1 strap
Tools Required: Mounting vice, sanding stone
Critical Success Effect: Grants low-light vision or glare resistance
Optional Upgrades: Fuse with enchantable slot for vision type change

Recipe Name: Ornamental Bauble

Relevant Skill: Glassblowing
Crafting DC: 6
Materials: 1 decorative glass, 1 hanger ring, 1 color thread
Tools Required: Loop press, swirl clamp
Critical Success Effect: Radiates calming glow in a 5 ft radius
Optional Upgrades: Add affinity tint to reflect attuned element

Rank 3 Recipes

Recipe Name: Enchantable Crystal Flask

Relevant Skill: Glassblowing
Crafting DC: 10
Materials: 1 pure glass charge, 1 mana filter core, 1 cap

Tools Required: Crystal torch, cooling rig
Critical Success Effect: Can store one minor enchantment
Optional Upgrades: Add rune thread for affinity-only usage

Recipe Name: Amplifying Lens

Relevant Skill: Glassblowing

Crafting DC: 9

Materials: 1 convex glass disc, 1 arc rim, 1 focusing band

Tools Required: Precision lathe, heat vise

Critical Success Effect: +1 to ranged spell accuracy when used

Optional Upgrades: Add inscription base for spell-linking

Recipe Name: Decorative Crystal Panel

Relevant Skill: Glassblowing

Crafting DC: 10
